Presidential Campaign

November 7, 1980, Election Day, marked the culmination of months of presidential campaigning. From the day of the Democratic and Republican conventions up to the day the votes were cast, Americans were bombarded with campaign slogans, promises, and debates. The elections were a time for citizens to voice their opinions and change the major issues: The Iranian Crisis, Afghanistan Invasion, and the United States economy. On November 7, Ronald Reagan, Governor of California, was elected President of the United States.

Today's Tops

John Lennon

On December 8, 1980, John Lennon, Beatle, was brutally murdered. Singer, Songwriter, musician, his talents and his dynamic style helped the Beatles to become the idols of an entire generation. Lennon used his music as a vehicle to explore the social conscience of the 60's and the Beatles grew into the symbol of change for the youth of this nation. Recently, Lennon finished his first original work in 6 years, "Double Fantasy" with his wife Yoko. John Lennon, the legend, will live on in his songs and in the hearts of his faithful fans.

Tie A Yellow Ribbon

"Tie A Yellow Ribbon," it's nothing more than a song-or is it? Yellow ribbons decorate trees everywhere in the U.S.; even, the top of the McDonnell Planetarium has a yellow ribbon around it. What does this all mean? It expresses the love of the American people for the 52 American hostages being held captive in Iran. Over 400 days, 2 christmases and New Year's have passed and the only contact these men have had with their loved ones is through letters and a few special television messages. Rescue attempts have failed but hope still lives strong. One day soon these men will be reunited with their families in their home of the United States of America.

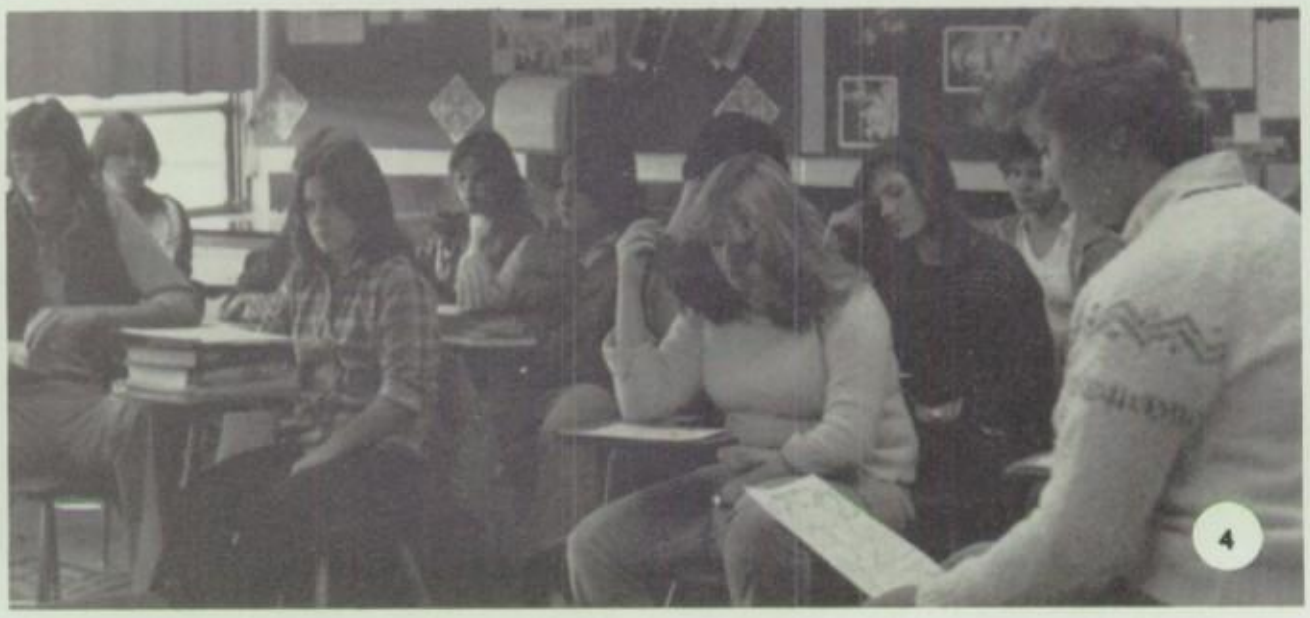
Each day we follow our busy schedule, changing from one class to the next. Sitting near friends, taking notes, and sometimes just trying to find a place to set our books are a part of each class. Every subject offers something different - whether it is lectures in English, films in History, or baking a cake in Home Economics. We share these experiences with teachers and friends, hoping someday to use all the knowledge gained from this part of life.

A Time For Work

3

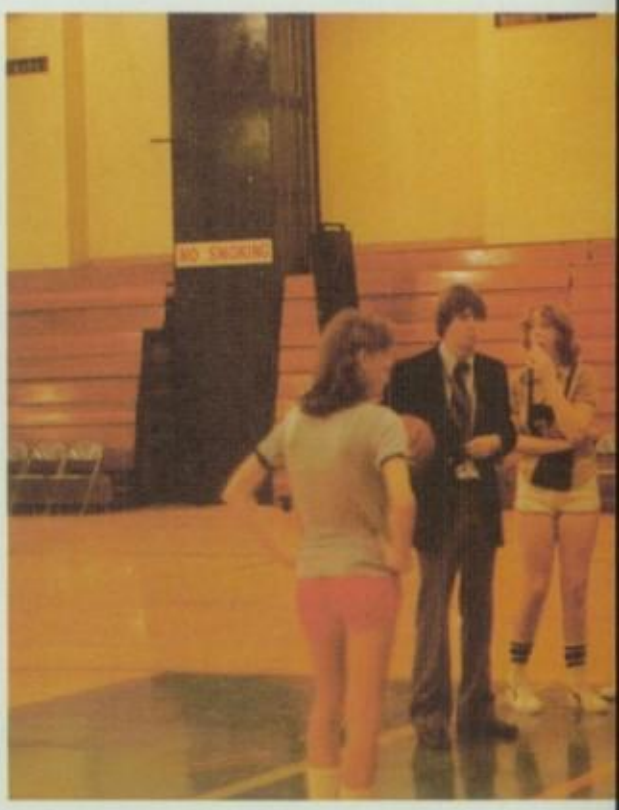


4

5

6

1. Freshmen enjoy the chance to forget about work for awhile and smile for the camera.
2. Done with writing at last!
3. Some freshmen find algebra easy enough to smile about.
4. Miss Loomis, a typical teacher, keeps her English class busy.
5. Taking notes-a favorite pastime-keeps Tina Schlomann working.
6. A nap can break the monotony of lectures, notes, and tests.



The two forty-five bell rings. Students cascade into the hallway, grab books from lockers, and then head across the quad, parking lot, or football field for home. What else is there to do after school except leave? PLENTY according to S.T.A. faculty and students. Practice a sport, cheer, or routine, coach a team, moderate a club, go to a committee meeting, work out, run, hang around and have fun, or simply catch up on some homework while waiting for your ride to do one of the above. All extracurricular activities help to make life before three more endurable, and even enjoyable.

After Three . . .

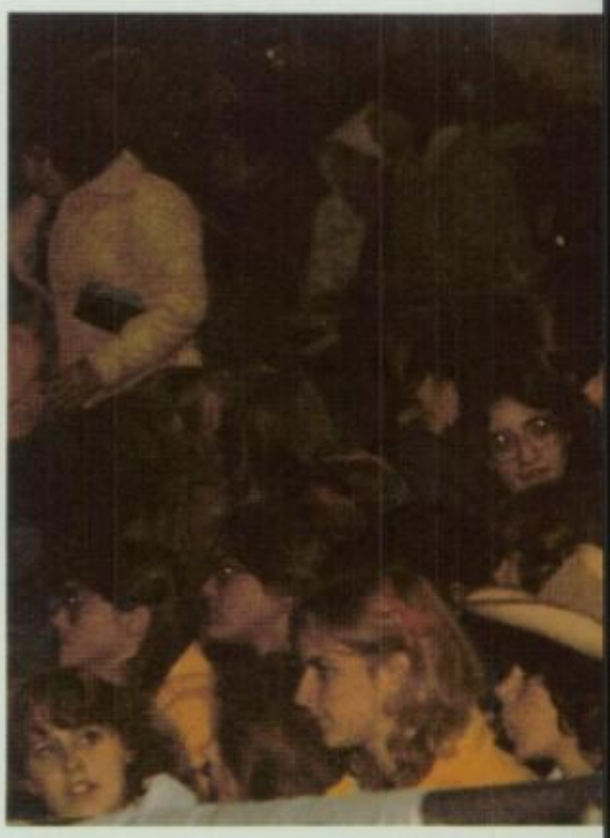
1. Mr. Schmitz helps a football player on his blocking.
2. The Pom-pon squad perfects a routine.
3. Mr. Haessig gives the girls' basketball team some tips.
4. B-team cheerleaders work on a formation.
5. Donna Calvaruso, Mark Manner, and Bill Lawrence wait for a ride home.
6. A couple sophomore football players spend after school hours on laps around the field.
7. Students use every extra minute after school to finish homework.
8. Jean Miller and Gary Steins talk for a few minutes after school.

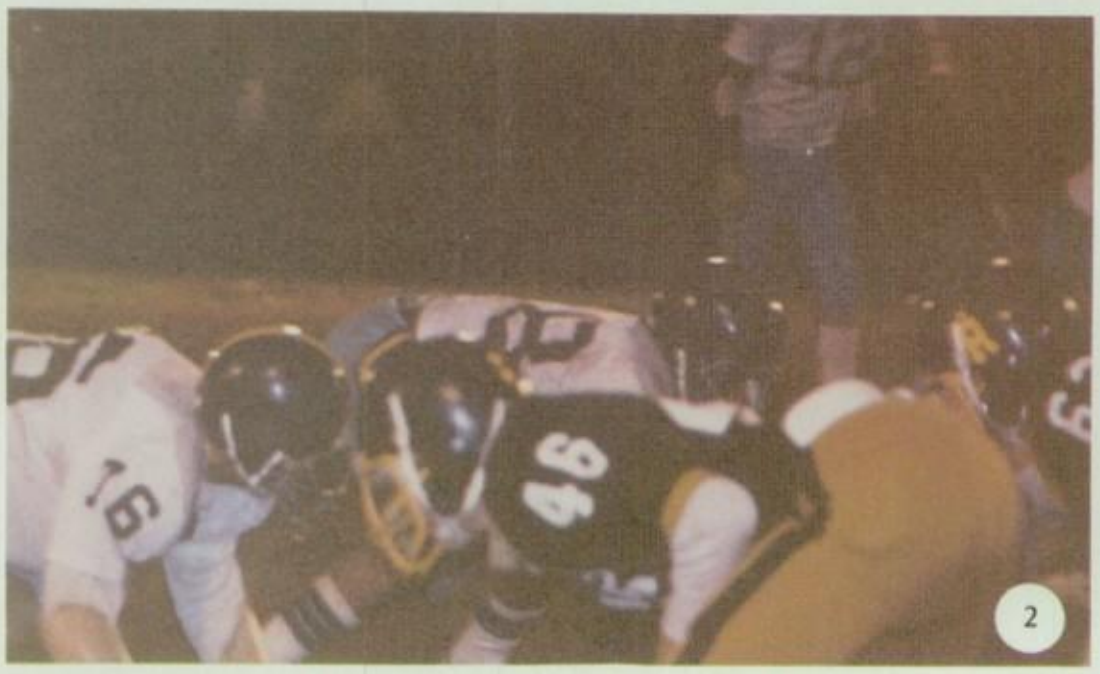
It can all happen in just seconds, a warm smile or a friendly hello can introduce you to that special someone. At school, time is spent sharing secrets, dreams, and disappointments. Couples talk in the halls before and after school, eat lunch together, and enjoy each other's jokes during unstructured.

After school hours and on the weekends, boyfriends and girlfriends spend their time attending CYC Dances, movies, house parties, concerts and sometimes just driving around. This time spent together is precious to both people since they experience the important facets of dating: growing closer together by sharing special feelings and secrets, having a shoulder to cry on, and learning what caring is all about. These moments spent together will be remembered always.

You've Got A Friend

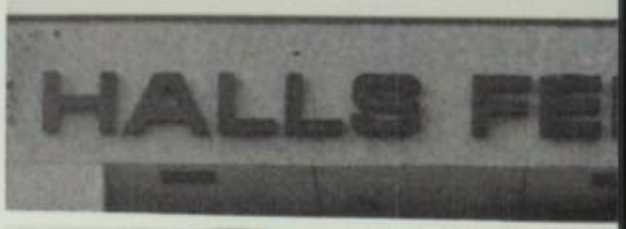
1. Mike Leonard and Therese Sinovich pose for the camera.
2. John Hellebusch and Stacie Georges like to walk outdoors after lunch.
3. Mark Conley and Julie Shankin enjoy the Homecoming Carnival together.
4. Julie Mohrmann and Joe Dierker share special moments at the Homecoming Dance.
5. Some guys and girls even dress up to impress each other.
6. Jim Schwartz and Donna Skelley are all smiles when together!

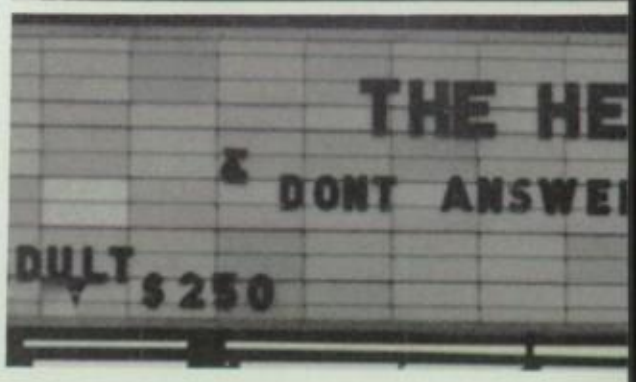




Aquinas students are often struck with a sudden madness to leave the house or do something other than completing their many hours of grueling homework. But can they slip through the confinements of their homes? Where will their imaginations lead them: Thse are the questions, and many find their answers close at hand.

1. Joanne Vollmer injoys a special moment on the sidelines.
2. The STA football team confronts a challenge.
3. The sports' fans anxiously watch the game.
4. Bart Andert uses his head again.
5. The soccer team welcomes no. 16.
6. Dan Eveld moves his feet and mouth to the music.
7. An intimate moment is shared by an Aquinas couple.
8. Lisa Thieme is proud to be a Falcon.

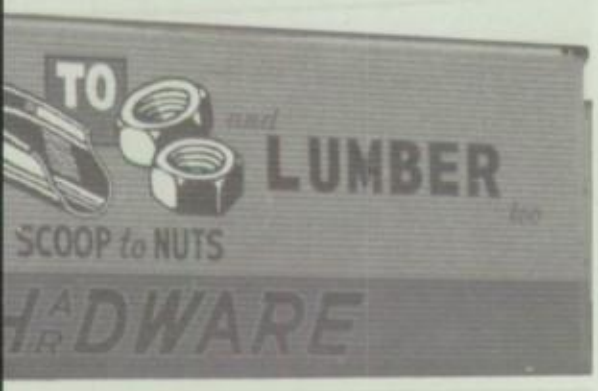




With football games, dances, movies and munchies, everyone needs money. So we take that big step and apply for a job. Some people prefer hectic McDonald's, some the quiet library and others choose a combination of both at the civic center. Each provides us with a couple dollars for the weekend and a little extra for saving. There is also the advantage of meeting a new group of friends.

Jobs aren't all fun though. There are always those nights of getting home at eleven with tons of books awaiting us. Right about then we begin to wonder, "Are those long hours and hard work worth it?"

Long Hours And Hard Work Pays Off!



1. Mark Heitert prices toys at K-Mart.
2. Laura Koehler displays cameras at K-Mart.
3. Carol Towers distributes pool balls at the Florissant Civic Center.
4. Mike Feldmann sells paper at St. Bart's.
5. Kim Giamanco rings up a customer at Venture.

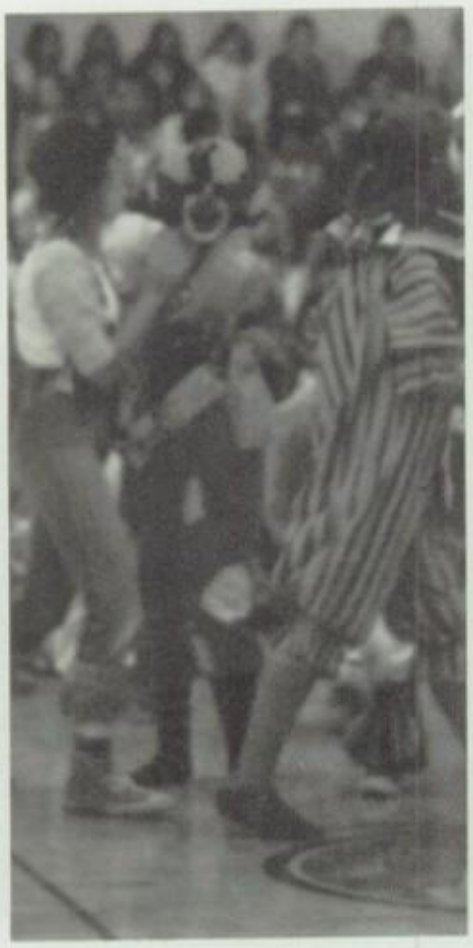
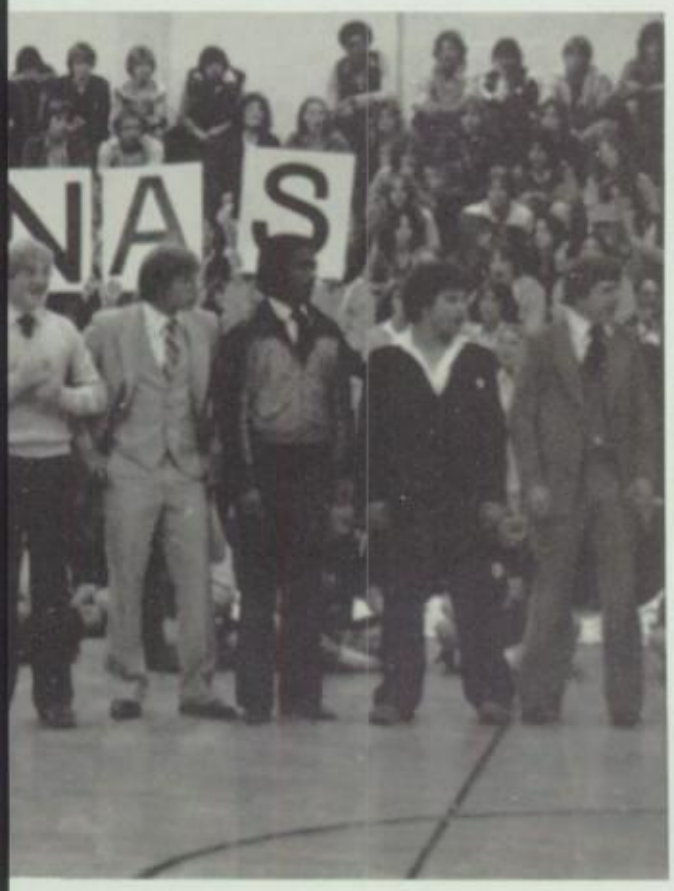
Thrill Of A Victory





Homecoming Game

On October 25, the gala of the Homecoming Game began with a magnificent parade from Aquinas to Ferguson Field. The two teams, Rosary and Aquinas, dualed it out for a winning score. During halftime the Homecoming Court was presented. Senior Kay Murphy was crowned Homecoming Queen of '81'. To add to the festivities, the pom-pon squad and cheerleaders performed, keeping the spectators minds off the cold. The second half of the game began and the score was 0-0. In the last quarter a touchdown was made to put Aquinas in the lead 7-0. The game ended with a victorious win over our rivals, Rosary, and joyous pride in the hearts of every Aquinasian present.

The Spirit Moves Inside . . .

HOMECOMING DANCE

The festive atmosphere continued on Saturday evening, October 25, with the Homecoming Dance. Entertainment was produced by "Pleasure" along with a surprise performance by Tom Saputo and Mike Boumis as the Blues Brothers. At nine o'clock queen Kay Murphy and her court were presented and escorted by the members of the Varsity Football team. Colorful clowns and bright balloons decorated the gymnasium which carried through with the theme "Everyone Loves A Clown". The large turnout added to the spirit and celebration of the victory which made the evening a memorable one.

Everybody Loves A Clown

On Sunday, the Homecoming Carnival brought the week's activities to a close. The Carnival was a new addition to Homecoming week and proved to be a success. Booths were set up throughout the quadrangle and people of all ages enjoyed the wide variety of games. On the softball field, sack races, tug-of-war, and volleyball games were organized for the students. Spaghetti dinners were served in the cafeteria all day, along with a refreshment booth. In keeping with the theme, clowns walked among the crowd handing out balloons and smiles for everyone.

Switch Dance

Christmas

This year the spirit of Christmas was spread throughout the Aquinas community. The season's activities began with the gathering of gifts for needy families and involved the participation of the entire student body. December 19, the day before Christmas holidays, students participated in the traditional school mass which was concelebrated by the priests of the Aquinas community. Following the mass were the advisory parties — students wrapping gifts for the poor, working on the trivia contest and enjoying refreshments. The stageband brought the day to a close with a lively concert in the gymnasium featuring drum solos by John Ampleman, Mark Abbaci and Tom Russo.

Father-Daughter

Mother Son Brunch

The Senior Boys of St. Thomas Aquinas High School request the honor of your presence at the 1981 Mother-Son Brunch on the morning of April 5 at Ramada Inn, Westport. The Brunch will begin at 11 A.M. followed by a welcome given by the Senior Class president and entertainment by the Senior Songsters.

The Mother-Son Brunch was a special time for the senior boys to spend sometime with their mothers. It gave them an opportunity to tell their mothers how much they love them and how much they appreciate all their mothers have done for them. The young men showed this through a prayer for their mothers and a few songs which a group of the young men sang. It was a very nice brunch and all of the mothers enjoyed spending this special time with their sons.

The Aquinas Songsters was a group of five seniors — Joe Dierker, Bob Garza, Mark Haarmann, Tom Hart and Tim O'Connell. They had a special surprise for the mothers. They sang three songs that showed how much they cared. The songs were "Treasure of Nonsense Medley", "The Son Waves Goodbye", and "May the Good Lord Bless and Keep You". Miss Pamela Holmes directed and accompanied the Aquinas Songsters. The mothers' hearts were enlightened.

DEDICATION TO MOTHER

Dear Mom,
I want to take a minute now.
And mention just a few ...
Of all the many, many things
...
I seldom say to you ...
I want to thank you, first of all ...
And making the family happy
...
In so many ways all year ...
And after that, I'll add a line
...
To tell you specially ...
How wonderful you really are
...
How much you mean to me.
And then, before I close, Mom
...
I'll remind you just once more
...
That I wish you all the nicest things ...
That life can hold in store!
With Love,
Your Son.

Jr. Ring Ceremony

The Jr. Ring Ceremony is a very important time of the school year for the juniors. The ceremony consists of a mass in which the rings are blessed and then distributed to the students. The rings show the individual interests and hobbies of the student through the inscriptions on the side of each ring. However, most importantly, these rings symbolize that the juniors will soon be taking over the role as leaders in the Aquinas Community.

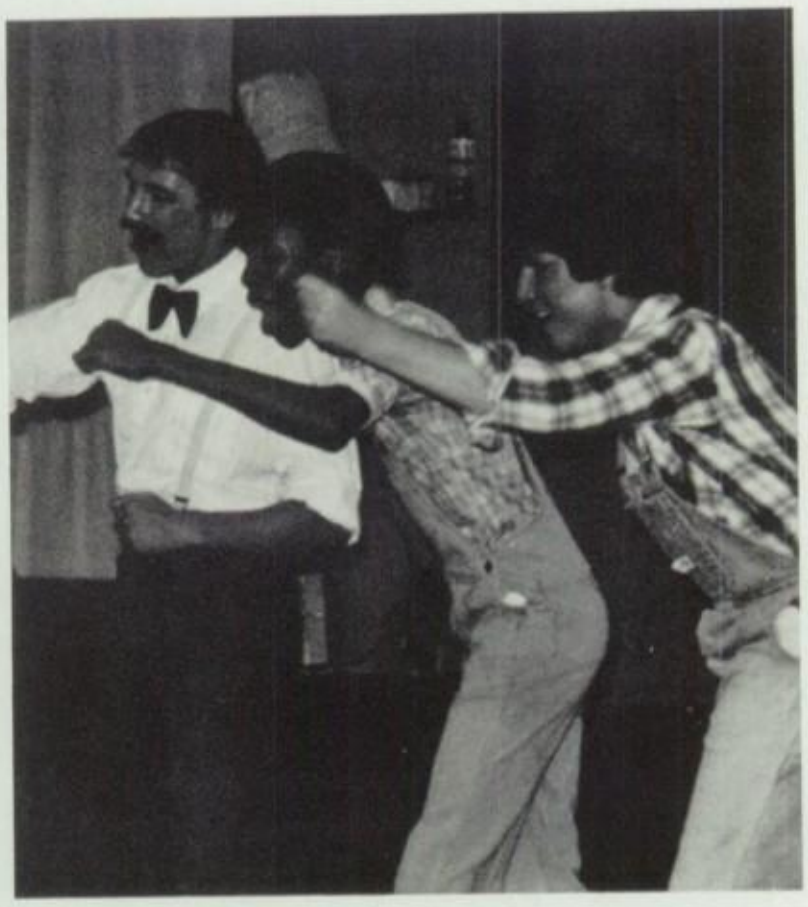
Spring Musical

HELLO DOLLY!! "Hello Dolly" was a humorous play exposing the cunning, masterful works of the Merry Matchmaker of New York — Mrs. Dolly Levi. The plot was enhanced by the gaity of music, laughter, and dance. The unique talents of all the cast members were highlighted by the brilliant



performances of Mary Kronlage, Meagan O'Day, Mark Talarico and Steve Stafford. Under the direction of Mrs. Patrice Feldmann and Sr. Kathleen Carroll, the cast and crew of the 1980-81 musical brought joy and laughter during the three successful performances.

ORGANIZATIONS

Life & Leadership

The leaders of tomorrow are those students and teachers who are involved in Life and Leadership at Aquinas. These people help keep up school spirit and are involved in just about every school activity. L&L creates new and different projects each year which are always fun and interesting to participate in. L&L is responsible for planning and carrying out a wide variety of events, for instance Homecoming, Christmas Day, Switch Dance, Prom and Graduation. There are also many small tasks they perform which are unnoticed to the student body. In the spring they held a Leadership Workshop which was one of the biggest Aquinas has ever had and proved to be very successful. A special thanks to Miss Chris Smith (Chairperson) for all her work and time and the L&L officers, Kay Murphy (President) Joe Dierker-(Vice-President), Mary Jane Haarmann (Secretary) and Connie Stoddard (Treasurer), also to all the reps. faculty and moderators who gave up so much to make L&L such a huge success!

Third Row: Sandy Motta, Karen Kuhn, Chris O'Connell, Vickie Chapman. Not Pictured: Sue Sumner, Theresa Roth, Tim Sandt, Ann Schrodt, Judy Grassmuck, Todd Bocklage.

The Talon Staff puts in many long, hard hours working deligently to meet deadlines. Many times understaffed, they still manage to finish on time. In spite of pressures and working on days off, the staff is able to have fun and present the memories of the school year.

This was an impressive year for the Aquinas Pom-Pon squad. Besides doing the normal squad activities- incoming freshman day, all home football games, spirit week activities and all home basketball games- Aquinas became a part of the Metropolitan Area Pom-Pon Squad. This meant show clinics and two competitions. In their first year of competition Aquinas was proud to bring home a first division trophy from the Miss Missouri Drill Team/Pom Pon Festival. And, as a perfect ending to a perfect year, Captain Peggy O'Brien shone through in the Metropolitan Area Pom-Pon Scholarship competition by being awarded a $150 scholarship to Maryville. Yeah!!!

Chorus

This year was a very challenging and exciting year for both the sophomore chorus and Aquinas Singers. They entered competition with many other local schools at Fontbonne college and the sophomore chorus was very honored to get called back. The freshman chorus didn't have the opportunity to participate in the competition this year, but they have seen the challenges ahead in their life of music.

Band

The bands perform at many special events that entertain the student body and parents. The stage band played at the Homecoming game and the Homecoming carnival. At the Thanksgiving and Christmas concerts, the stage and concert bands played. There was also a pep band that excited the crowds at basketball games.

Mr. Bozzi directed the stage, concert, intermediate, and beginner bands at the spring concert. It is always interesting to see how the bands progress from beginner to stage or concert band over the years, and it is always fun listening to the different bands and how each performs.

They help students find books and information that the students might not have been able to find themselves. The librarians as well as the student aids help keep the library organized and clean so it will be a comfortable area in which to studey. The library aids, adultd and students are always around when they are needed and are a tremendous help in keeping the library running.

TO THE KID ON THE END OF THE BENCH

Champions once sat where you're sitting, kid. The Football Hall of Fame (and every other Hall of Fame) is filled with names of people who sat, week after week, without getting a spot of mud on their well-laundered uniforms. Generals, senators, surgeons, prize-winning novelists, professors, business executives started on the end of a bench, too. Don't sit and study shoe tops. Keep your eyes on the game. Look for offensive opportunities. Watch for defensive lapses. If you don't think you're in a great spot, wait until you see how many would like to take it away from you at next spring practice. What you do from the bench this season could put you on the field next season, as a player or back in the grandstand as a spectator.

Juniors are taking one step further in life's challenging goals. They are going on retreats to become more aware of emotions and feelings. They have the joy of receiving their class ring for all to see and they are becoming more involved in activities around school. Living today and preparing for tomorrow, the juniors of today are the seniors of tomorrow.
